

## Presentation and Tour of Cummins Power Systems

*Sponsored by: SAE Twin Cities Section*

**Tuesday, May 9<sup>th</sup>, 2023**

### Presentation and Tour of Cummins Power Systems

Cummins Inc., a global power technology leader, is a corporation of complementary business segments that design, manufacture, distribute and service a broad portfolio of power solutions. The company's products range from internal combustion, electric and hybrid integrated power solutions to components including filtration, aftertreatment, turbochargers, fuel systems, controls systems, air handling systems, automated transmissions, electric power generation systems, microgrid controls, batteries, electrolyzers and fuel cell products. For more details about Cummins, visit <https://www.cummins.com/>

Join SAE Twin Cities at Cummins Power Systems facility in Fridley, for a **tour of the plant**, their **Acoustical Test Center (ATC)** and their **Power Integration Center (PIC)** facilities.

**Address:** 1400 73rd Ave NE, Fridley, MN 55432. Park in visitor lot accessible from 73<sup>rd</sup> Ave driveway.

**Note:** There is a **limitation of 30 registrations**, so priority will be given to Twin Cities SAE members. If you are not a member, you can register, and we will confirm if there are openings. Please leave a phone number and email ID so we know how to reach out to you even if you have an SAE membership as we want to make sure that if you are not showing up, we can give your spot to somebody else. For SAE members, the sooner you register, the better the chance of you making the registration.

Register at: <https://forms.gle/hSM54kMpZccCxaVt5> . Cost **\$5** to cover pizza.

### Meeting Agenda:

5:30 - 6:00 PM Arrive at Cummins Power Generation. Networking + Pizza.

6:00 – 7:30 PM Presentation and tour of plant, ATC and PIC

7:30 – 8:00 PM Depart

An SAE International Section

**Address: 1400 73rd Ave NE, Fridley, MN 55432**
